IRON HORSE SEATING - BUILT TO LAST

IRON HORSE Seating 24-Hour Chairs are engineered to withstand the demanding environments of control rooms, surveillance rooms, and dispatch centers. The IRON HORSE Seating 4000 Series features the latest ergonomic designs and commercial grade components.

Through extensive market knowledge and known customer requirements, these chairs are engineered to exceed your expectations. The ergonomic excellence of the IRON HORSE Seating intensive use products have been developed to meet the demands of 24-hour, multi-shift environments.

HD TILT MECHANISM

The HD Tilt Mech is standard on the IRON HORSE Seating 4000 Series. Its responsive and versatile tilt is designed for use on large size chairs. The mechanism is equipped with Infinite Tilt Lock for independent back adjustment and a top activation lever for pneumatic height adjustment. Its robust design and ergonomic adjustments are ideal for heavy use applications.
