

WEIGHT RATED & TESTED FOR 24/7 INTENSIVE USE ENVIRONMENTS

IRON HORSE SEATING

NEW DELUXE TILT UP ARMRESTS

Introducing our NEW Deluxe Tilt Up Armrests. Engineered, designed, and tested for intensive use environments to provide IRON HORSE customers with premium durability, comfort, and ergonomics.

MADE IN THE USA WITH AIRCRAFT GRADE ALUMINUM

All components are machined from T6061 aircraft grade billet aluminum and stainless steel.

BLACK ANODIZED FINISH

For corrosion resistance and smooth functionality.

INTENSIVE USE TESTED AND RATED

Designed and tested to ANSI/BIFMA X5.1 standards for demanding high usage environments.

24/7 WARRANTY COVERAGE

The IRON HORSE product warranty covers armrest parts for 3 years in 24/7 environments.

NOW STANDARD ON ALL MODELS

The NEW Deluxe Tilt Up Armrests will be standard on all IRON HORSE models.

TILT-UP FEATURE

Can be positioned upwards to allow the user a wider range of motion while sitting.

ANGLE ADJUSTABLE KNOB

Armrest can be angle adjusted with the simple turn of the knob for the most comfort.
