

# IRON HORSE SEATING 3D ARMRESTS

## INTENSIVE USE ARMRESTS

Constructed out of T6061 aircraft grade aluminum, IRON HORSE Seating's 3D Armrests are specifically designed to provide maximum levels of durability, stability, adjustability and comfort for intensive use environments

With the ability to adjust width, height and length, the 3D Armrests provide the adjustable functionality needed to fit any shift's needs.

## 24/7 WARRANTY COVERAGE

The 3D Armrests are covered under the IRON HORSE product warranty for use in 24/7 environments.
